June 22 - 23, 2024

ORLANDO, FL

VISION

LEGACY PRO SPORTS FOUNDATION

At Legacy Pro Sports Foundation, we are dedicated to transforming the lives of athletes facing the dual challenges of mental health and performance pressures. We envision a world where every athlete—at the youth, collegiate, or professional level—has access to the comprehensive support they need to thrive both on and off the field. Our vision extends beyond the conventional boundaries of emotional wellness to embrace the holistic development of athletes, empowering them to navigate the complexities of their careers with confidence and resilience.

To actualize this vision, our mission encompasses a broad spectrum of services specifically designed to address the unique needs of athletes. Recognizing the critical importance of Name, Image, and Likeness (NIL) in today's sports landscape, we offer specialized assistance in managing and leveraging these assets for career advancement and financial stability. Our services include career development, financial literacy, compliance and education, marketing and branding, social media management, and public relations.

Through these initiatives, Legacy Pro Sports Foundation commits to improving athletes' mental health and emotional well-being and equipping them with the skills, knowledge, and resources to navigate the challenges and opportunities of their careers. Our holistic approach to athlete development underscores our belief in the potential of every individual we serve, aiming to foster a generation of athletes who are as accomplished and resilient in life as they are in their sports.

Together, we aspire to create a legacy of strength, resilience, and success for athletes at all stages of their journey.
